(We have stocks or nearly everything in Poultry Supplies at Clinton, as well as Madison and can ship from there if desired.)	"

We are now located in our new quarters at Madison, in the new building of the Madison Saddlery Co., 315-317 E. Wilson St. This building is near the Northwestern depot. Drop in and see us whenever in Madison. We also have another warehouse near on the C. M. & St. P. tracks. These two buildings will enable us to handle our business to much better advantage than at Clinton and our shipping facilities here at Madison could hardly be better. We have 3 railroads, C. & N. W., C. M. & St. P. and Ill. Central, with lines running in 9 different directions. We still have a warehouse at Clinton, Wis., our former location, and can ship Poultry Supplies and some other things from there.
